

British Gymnastics and East region affiliation

British Gymnastics Membership

All gymnasts and coaches that attend Watford gymnastics club must hold a current British Gymnastics membership. Without this gymnasts and coaches are not insured to take part in gymnastics at our club. British gymnastics membership is renewed every October. We invoice for this alongside your child's Autumn term fees.

For new joiners the membership payment until the next October will be included in your joining fee. If you join in September your first full year will be included.

You will not have to sign up to British Gymnastics prior to your child's trial.

Example 2021-2022 £19

East Region affiliation

Watford gymnastics club also affiliates to the East region. This will also be invoiced along with your Autumn fee's or included in your joining fee.

Example 2021-2022 £2
